- 1. At the Comarova forest, there is a group of five coastal and three anti-aircraft guns facing the Black Sea. These have been at that site since the Germans were in Rumania. In this forest there is one regiment of Rumanian infantry as well as various marine units.
- 2. At Domnita Elena there are two companies of Rumanian infantry.
- 3. The airfield at Bas Punar, near Mangalia, is not being used. It has been abandoned since the German occupation days.
- 4. Coastal forts, between 100 and 150 meters_distance from one another, line the coastal area from Mangalia to Doua Mai. Informant estimates that there are eight such forts. He says that there were five more forts between Mangalia and Comarova. Protruding from the opening of each fort, in the direction of the sea, informant saw what he believed to be anti-tank guns and machine guns.
